

COVID 19 | RULES AND REQUIRED PROCEDURES

Background | Pandemic

The COVID-19 pandemic has impacted the world and certainly operations at the Golden Golf Club since March 2020. On May 15th, 2020, the Golden Golf Club (GGC) opened and was restricted to Members and local non-Members. Local non-Members were required to prove a Golden & Area "A" residence which must be their primary residence. This was a temporary restriction, which was monitored daily, and has now being removed. Our golf course opened to everyone on May 29th, 2020.

The Golden Golf Club created Rules and Required Procedures to prevent the spread of COVID-19 to our Members, Guests, Staff, and within our community. **We will continue to monitor the COVID-19 pandemic and will adjust restrictions and/or revise rules when it is prudent to do so.** These playing rules apply to all aspects of play or use of GGC property and will be strictly enforced. Failure to follow these Rules and Required Procedures will lead to a suspension of privileges.

By golfing at the Golden Golf Club you are agreeing to accept our COVID-19 Rules and Required Procedures for playing golf and being on the Golden Golf Club Property. In addition, you waive certain legal rights and indemnify the Golden Golf Club's Board of Directors, Management Team, and Staff of any possible wrongful actions. If you do not agree to follow the Rules and Required Procedures in place, you must stop and leave the property immediately!
